

GAC MOTOR

# The All-New **GN6**

## Comfort Wherever You Go

Whether you're travelling along highways or driving through busy city streets, the GAC GN6 gives you a safe and comfortable driving experience with its features and advanced technology.

# Feel at Home, Everywhere

The 73.2-inch ultra-wide layout easily accommodates seven passengers, making this the perfect car for roadtrips with your family.

## 7.5-inch ultrawide Second-Row Corridor

The industry-leading ultrawide second-row corridor eases the communication between the passengers on second and third rows. Passengers can enter and exit with ease and comfort.

## 324 liters Trunk Space

Need a room for your luggage? Fold the third row seats for more space. The GN6 can be configured according to your load to make your travels convenient.

## Multi-Functional Steering Wheel

The multi-functional steering wheel allows you to control the audio system, and hands-free calling with ease. Link your phone via Bluetooth for a more connected drive.

## 360° NVH Quiet Space + Smart Home Style Interior

Enjoy a peaceful and relaxing ride with the 360° quiet car technology. This feature not only provides a cozy riding experience, but it also keeps the driver composed behind the wheel.

# GN6

## All-new Flying Dynamics Front-end Design

The Light-And-Shadow Sculpting 3.0 design gives the car an elegant look. The stylish grille is emphasized by the curves of the vehicle.

## LED Daytime Running Lamps

The wing-shaped LED Daytime Running Lamps does not only ensure safety driving, but it also accentuate the grille for a more pleasing appearance.

## Jumping Dolphin Curvature

Inspired by the motion of swimming dolphins, the aerodynamic curves on the GN6 body give a slender and stable appearance.

## Sunroof

The tinted electric sunroof lets you to experience the world around you.
